

SDK GROUP - Where possibilities are limitless.

We facilitate road traffic in all the Scandinavian countries and also to/from most parts of Europe.

As a dynamic operator our business is growing and therefore we are looking for more trucks to haul our trailers.

Our need for haulage is 2 and 3 axle trucks

- Hydraulic and Standard.

Our trailers are

- Walkingfloor, Box, Curtain and Link.

Please do not hesitate to contact us for more information regarding a future partnership.
